**PROCESS TO RELEASE C of R  
PRIOR TO FINAL INSPECTION**

As a special privilege resulting from an agreement with Aircraft Licencing, builders may apply for a C of R before final inspection. The following must be provided in support of the application.

1. Copy of letter or invoice to verify that the inspection has been authorised and an inspector assigned.
2. Copy of data plate or data plate information form for the aircraft to be inspected.
3. 3/4 side view photo of the aircraft showing registration marks affixed.
4. Application for Registration (26-0522) properly completed.
5. Cheque (\$110.00) payable to the Receiver General for Canada. (  
*This is separate from the inspection fee paid to MD-RA.*)

Note: It is suggested that this process be initiated immediately upon receipt of this package in order to minimize delay in processing. The inspector is not permitted to commence the inspection unless you have your Certificate of Registration.
